EDUCATION

Matriculation   May 2016 - May 2018
LGS grammar schooling system, Karachi

Intermediate   Jun 2019 - Jun 2022
GOVT degree boys college, Karachi

EMPLOYMENT

Junior front end developer   Jun 2020 - May 2021
ASinlabs, Karachi
Developed a modern and responsive website that increased user engagement
  Optimized web-pages for better performance and faster loading times
  Used HTML, CSS and JavaScript and React to create interactive elements that improved user experience
  Integrated third-party APIs to add additional features to the website
  Developed cross-browser compatibility tests to ensure compatibility across all browsers
  Developed and maintained automated tests to ensure code quality

Front end developer   Jun 2021 - Jan 2022
ASinlabs, Karachi
I developed a modern and responsive website that significantly increased user engagement. By utilising
my skills in HTML, CSS, JavaScript, and React, I was able to create interactive elements that greatly
enhanced the overall user experience. Furthermore, I optimized web pages for improved performance and
faster loading times, ensuring a smooth browsing experience for users.

MERN stack developer   Feb 2022 - Nov 2022
ASinlabs, Karachi
With my diverse skill set in MERN Stack development, React Native, backend API integration, and code
quality assurance, I consistently deliver exceptional user experiences across web and mobile platforms.

Project manager   Dec 2022 - Present
Xomacs, Karachi
Led a team of quality engineers to complete a major quality assurance project on time and within budget
  Developed and implemented quality assurance measures that increased product quality and customer
satisfaction

I consent to the processing of my personal data for the purpose of recruitment for the position to which I am applying.

Implemented project life cycle management processes to ensure project requirements were documented and tracked throughout the project

Developed a comprehensive project plan that outlined the key tasks and milestones for a major consulting project, resulting in the successful completion of the project on time and within budget

Worked as project manager to develop and implement strategies for cost savings and resource optimisation
